NOTICE OF DECISION THE BOZEMAN RIFLE CLUB September 11, 2008

A draft Environmental Assessment (EA) was prepared by FWP for the proposed purpose of granting grant \$7,186 to the Bozeman Rifle Club for shooting range building improvements at the Greenway Indoor Shooting Range located on the Gallatin County Fairgrounds in Bozeman.

A draft EA was circulated for public comment between August 7 and September 9, 2008. During this time period, notices announcing the availability of the comment period and EA were placed on FWP's website, as a legal ad in the **Bozeman Chronicle**, and in a news release from the FWP Region 3 office.

FWP did not receive objections to the proposed project; however, FWP received this comment from the State Historic Preservation Office (SHPO):

"It is SHPO's position that any structure over fifty years of age is considered historic and is potentially eligible for listing on the National Register of Historic Places. If any structures are to be altered and are over fifty years old we would recommend that they be recorded and a determination of their eligibility be made."

FWP Response: this building was constructed approximately ten years ago with public and private funds.

Therefore; by notification of this decision the Draft EA is hereby made the Final EA and the Bozeman Rifle Club will be awarded this shooting range development grant.

Kurt Cunningham
Shooting Range Grant Coordinator
